We are delighted to introduce the Trinity College London specification for Arts Award Discover.

### Purpose of this specification

This specification document provides key information about the structure, content and administration of Arts Award Discover.

## Introduction

### Why choose Arts Award?

The Arts Award qualifications are designed to inspire learners aged 25 and under to grow their arts and leadership talents. Most of all, they aim to support and encourage learners of all levels and abilities and from all backgrounds and cultures to engage and participate in the arts. From the initial Arts Award Discover level, all the way through to Gold Arts Award, these qualifications offer a variety of ways to approach creative and wider skills development, that can be tailored to the centre, adviser and learners.

Through Arts Award, learners will achieve a national qualification that will build confidence through nurturing their individual interests, while also equipping them with life skills that will support their education and future employment.

To achieve their Arts Award, learners take on challenges in an art form, participate in arts activities, experience arts events, get inspired by artists and share their arts skills with others. They create a portfolio to keep a record of their creative work and progress along the way, and they are supported by an adult, who has trained as an Arts Award adviser and acts as an assessor, facilitator and mentor.

Arts Award recognises all art forms ranging from fashion to poetry, rapping to dance, sculpture to film and arts administration to backstage roles, providing assessment opportunities for many different learners and offering freedom of choice within the framework. This enables them to play to their strengths and express their creative identity through art form options and portfolio presentation. Arts Award is designed as a flexible, personalised learning programme in which those taking part have choice and control.

Arts Award Supporters, advisers and alumni have impressive stories to tell about these qualifications and our community is growing every year. Read their inspiring success stories at [artsaward.org.uk/blog](https://artsaward.org.uk/blog) and [artsawardvoice.com](https://artsawardvoice.com).

Arts Award can be delivered in the UK only (including Scotland, Wales and Northern Ireland).

Arts Award is managed by Trinity College London in association with Arts Council England. Arts Council England is a government-funded body that supports and promotes artistic and cultural experiences to enrich people's lives. Both organisations are passionate about helping children and young people engage with the arts.

We hope you enjoy exploring all the opportunities these Arts Award qualifications offer and we wish you every success.

## Qualification information

### Aims of the qualification

Arts Award Discover encourages learners to develop a basic understanding of a range of art forms, to commit to taking part in arts activities and to develop a basic understanding of communication.

Learners create a personal arts log (portfolio) containing evidence of their experiences. These arts logs can be in any format, including digital.

Arts Award Discover provides a foundation to enable learners to be introduced to the arts and is a springboard to the other levels of Arts Award.

### Qualification details

All Arts Award qualifications are assigned a total qualification time (TQT). It is recognised that the amount of time needed to complete a qualification will depend on the level of experience of each individual or group. For this reason, the assigned TQT should be used as guidance only.

Examples of different delivery approaches can be found at [artsaward.org.uk/blog](http://artsaward.org.uk/blog).

## Arts Award delivery

### Arts Award centres

Arts Award centres are validated by Trinity College London and are responsible for the successful delivery of Arts Award, ensuring the necessary policies, procedures and resources are in place, and for overseeing the work of trained advisers. Any arts, cultural or youth organisation, business or school can apply to become a validated centre and should refer to the *Validation Requirements* and *Best Practice Guidebook*, which contain essential information about how to administer Arts Award.

### Arts Award advisers

To deliver Arts Award, advisers must have successfully completed a training course relevant to the level they wish to run. Advisers must be engaged by a validated centre which is responsible for overseeing the delivery of Arts Award. Advisers enable learners to access the required activities and support them to organise their evidence of participation in their arts logs. Arts Award advisers use the framework and assessment criteria in the Arts Award Toolkit to assess the learners' work.

# Achieving an Arts Award Discover

## Qualification requirements

Learners can work at their own pace for this qualification and they record their progress in an arts log. This provides the evidence for the adviser to assess. Arts logs can be created in any format. Learners can use written, visual and digital methods to record work for their evidence.

To pass Arts Award Discover, learners are required to create an individual arts log that demonstrates how they meet the following requirements:

- ▶ Participation in arts activities (part A)
- ▶ Research into artists and their work (part B)
- ▶ Sharing of their arts discovery (part C)

Further information is contained in the Arts Award Discover & Explore Adviser Toolkit, provided when attending Arts Award adviser training. Visit [artsaward.org.uk/training](https://artsaward.org.uk/training).

## Assessment

For Arts Award Discover, the adviser assesses learners in the following areas:

- ▶ Art form knowledge and understanding
- ▶ Creativity
- ▶ Communication

Only an Arts Award adviser trained at Arts Award Discover level can assess the work. A marksheet should be completed for all learners entered for Arts Award. The adviser assesses each of the arts logs against the requirements in the 'What the young people should demonstrate through their evidence' and 'Evidence required in their arts logs' sections and against the assessment criteria.

Arts Award qualifications are not allocated different grades or pass levels, so each arts log will be assessed as either a pass or a below pass.

Arts Award Discover is not a regulated qualification, so the adviser's assessment is final, unless there is an identified issue with the centre.

## Arts Award Discover assessment criteria

Advisers look at the evidence in the arts logs to ensure learners are working at the required level as described in the assessment criteria.

### Art form knowledge and understanding

Pass: A basic understanding of a range of art forms.

### Creativity

Pass: Show commitment in arts activities.

### Communication

## Certificates

Arts Award Discover certificates are sent to the centre within four weeks of the invoice being issued, subject to payment being received. There is a fee for replacement certificates.
